## A Word from Pastor Stewart...

# Worship: the Master Key

Today we are becoming more and more a keyless society. However, I am confident all of us will have some concept of what a master key is or does. The master key is the key that will open any lock associated with the system it was made for. Worship is the master key to our relationship with God. Any attempt to approach God, to know Him and to experience Him, is flawed without worship. It is a difficult thing in some ways to define worship because there are so many aspects to it. But unless we discuss this, the way we gather, the reason we gather and what we do and how we do it when we gather will be more about us and our preferences, than God. That is not to say there is only one way we can worship God. But in another way, there is only one way we can worship God.

I ask you to re-read the opening words of Psalm 103.

**Let all that I am praise the Lord;  
with my whole heart, I will praise His holy name  
Let all that I am praise the Lord;  
may I never forget the good things He does for me.**

John Piper wrote, “**So, here is my summary: The inner essence of worship is to know God truly and then respond from the heart to that knowledge by valuing God, treasuring God, prizes God, enjoying God, being satisfied with God above all earthly things. And then that deep, restful, joyful satisfaction in God overflows in demonstrable acts of praise from the lips and demonstrable acts of love in serving others for the sake of Christ**”. I think we must be careful to recognise these elements of worship and enjoy the richness of how others express themselves in worship and then worship with them.

When I was still involved with Primary School chaplaincy, I would often sit in on the morning show and tell sessions. There was an enormous variation in the articles up for showing. Unfortunately, frequently the children missed the delight of what was offered because they were preoccupied with their own treasure. These sessions often ended in disappointment, tears and rejection at one level or another and chaos. Needless to say, this was never the intention.

I wonder sometimes if when we gather for worship, we view it as a show and tell rather than a come and listen. Consequently, our individuality that is, our beautiful and wonderful human identity gets in the way. We want what we want rather than what God wants. C. S Lewis in his journey of faith was repulsed by the thought of a God who was so self-centered. He expects, demands His creation to worship Him. As he grappled with this view of God his view was realigned with an amazing and wonderful reality. Lewis wrote, “**the law of giving and receiving is fundamental and relates just as much to God as it does to us. As we go through the door of giving ourselves to God in worship, we find that God comes through the same door and gives himself to us. God's insistence that we worship Him is not really a demand but an offer—an offer to share Himself with us to fulfill the deepest longing in Himself which is His passionate desire to give Himself to us. It is what Martin Luther called the joyful exchange.**”

Perhaps I should rethink the title,

**Worship: the Key to the Master**

Pastor Stewart.

## Just for fun...

Just be careful because people are going crazy from being in lock down! Actually I've just been talking about this with the microwave and toaster while drinking coffee and all of us agreed that things are getting bad.

I didn't mention anything to the washing machine as she puts a different spin on everything.

Certainly not to the fridge as he is acting cold and distant. In the end the iron calmed me down as she said everything will be fine, no situation is too pressing.

The hoover was very unsympathetic... told me to just suck it up, but the fan was more optimistic and hoped it would all soon blow over!

The toilet looked a bit flushed when I asked its opinion and didn't say anything but the door knob told me to get a grip. The front door said I was unhinged and so the curtains told me to .....yes, you guessed it .....pull myself together

Please pray for David, Eliza, Jude, Dustin and Caitlyn and also for Ben, Petra, Bryce and Lachlan as they continue to work and live amongst the K People.

The Coronavirus Covid 19 is present in their country and they are subject to rules in the same way that we are here in Australia.

Pray for protection from this virus for the K people and, in particular, for the team there. At present the number of cases reported is low (2525 the latest figure) and 16 deaths.

Amos, Erima & Vicki)

Pray for:

WYCLIFFE BIBLE  
TRANSLATORS  
Michael & Charlotte Corden  
(Melora & Alexis)  
Torres Strait (based in Cairns)

  
Because he bends  
down to listen, I will  
pray as long as I  
have breath.

- Psalm 116:2

### Prayer Points

Obviously we can have no interaction with Torres Strait Islanders but we do have a couple of specific prayer requests.

As you know **Charlotte** developed a DVT from her left leg from her groin to her ankle late last year.

The hematologist has said the underlying cause was due to Lupus, a strange illness. She is now waiting on a call up to see the rheumatologist at the hospital to see if it is actually become systemic.

Any nurses there might be able to explain.

That is not her main prayer need. She now has a largely inflamed Achilles tendon in her right leg. This is significantly restricting her mobility. She needs to keep her legs up most of the time to limit the swelling. It is causing her a lot of frustration.

**Alexis.** As you know he is incontinent of feces due to a birth abnormality.

His bowel control had normally been pretty good in that he would only generally only need to use pull-ups about once a week.

However since Christmas he has been having a lot of problems. Lots of blood, fecal, and pathology test and visits to doctors, including a specialist. It seemed to settle down in mid February but has since recommenced. He now has need to change pull-ups about four times a day. This is very disconcerting, disheartening for him. It obviously affects us all in the house as well

**Please pray** for him, and us in this.

**Praise.** -- Alexis new NDIS plan was given to us in February with a lot of cut backs. We asked for a review and submitted over 13 attachments explaining what his needs really were. Amazingly the review only took two days and we were granted all we asked for, such as Speech Therapy, O.T. Podiatry etc. Praise the Lord.

**Melora** had to have an iron infusion about 6 weeks ago for her Lyme Disease. It seems when the needle was into a vein in her wrist a nerve must have been damaged. Her wrist is now rather weak. She is booked to have an ultrasound for this and further blood tests. Pray for an improvement to her health.

### Huddleston/Power to Change praise and prayer points

**We give thanks** for God's sustaining grace and protection amidst the season of COVID-19. Tim, Liam and Caitlin are proceeding with their online learning and study commitments at home. Dave is working from home most days. We appreciate our evening family mealtimes where we catch up and each express one thing we're thankful to God for. Dave enjoys his regular walks and Judy is keeping active in the garden.

**Praise God** for his protection and for the dedication, perseverance and creativity of Power to Change team members throughout Australia.

Public ministry events and conferences have been cancelled or redesigned, with the work of God continuing. Teams are collaborating well and seeing lives impacted for Jesus.

**Please pray** for the upcoming New Missionary Orientation training being hosted over Zoom from 11-15 May. 10 participants and 5 facilitators will be attending. Dave has some involvement. May people be enabled to engage and be well equipped and may technology cooperate and not prove too draining.

**Pray for** daily wisdom, focus and appropriate rest for Dave whilst giving leadership and cooperating with others to navigate the various demands and opportunities of COVID-19.

**Pray for** Dave and the National Crisis Response Team as they continue to monitor, manage, plan and communicate during this unique season.

Thanking you  
Dave & Judy

**Marcus and Julie Grey – Chief Pilot and Home Support**

### Praise:

We are thankful that MAF is still able to provide essential services to isolated communities all over the world.

### Prayer:

**Please uphold** the team in Timor Leste. MAF families have been sent 'home', with only 2 pilots and the national staff remaining to handle the workload.

**Pray for** a good transition for the next pilots to relieve them and for scheduled maintenance to be carried out on their aircraft.

**Pray for** all essential workers 'on the front line' and particularly healthcare workers and Victorian Police at this time.

Many thanks for your love and prayers  
Marcus and Julie

**MAF PILOT AND HOME SUPPORT**

- Please pray** for wisdom for MAF's leadership as they re-plan financial budgets and work with governments to obtain flight permits to operate in restricted areas and access funding for health-related flights.

**Simon and Meg Crittle

**Japanese Diaspora Ministry**  
**Melbourne OMF International**

- **Praise God** that, despite the physical isolation due to the pandemic, we are able to reach out to Japanese people through the internet, with LINE messages (similar to WhatsApp, but much more popular in Japan) and Skype video calls. At present, our focus is on strengthening connections with Japanese families who have returned to Japan, as well as those students doing English lessons via Skype. **Pray for** openness and opportunities to speak God's word into their lives.
- During May, we are aiming to contact more of our mission partners (prayer and financial supporters). **Pray that** we can encourage these partners, who have been such an encouragement to us.
- **Thank God** that increased use of internet communication is opening up new ideas and possibilities for mission methods (for example, one possibility is group video calls with Japanese folk who have returned to Japan). Pray for wisdom and creativity as we explore these ideas to bring Jesus into Japanese lives.

Thanking you

### Praise/prayer points:

The Holy Spirit has given me peaceful assurance that He will provide somehow, despite the uncertain circumstances.

**Please pray** that our Lord's name will be glorified by how He does this.

**Please pray** that my English students who are reluctant to try online classes will have a change of heart.

**Please pray** for spiritual protection and that my recent improvements in sleeping (praise God!) will continue and further improve.

## CROSS CULTURAL WORKERS

### Some prayer and praise points from me:

**Praise God** for a stabilisation of COVID-19 cases across the country and in particular in the NT.

**Pray for** the COVID-19 situation in Australia. **Pray that** we will not see an increase in cases as we see restrictions being lifted. Pray especially that we will not see cases amongst our Aboriginal and Torres Strait Islander communities.

**Pray for** Azzariah, and his mum Farina. Azzariah is 4 years old and has very severe Rheumatic Heart Disease. He is likely to need heart surgery very soon at the Royal Children's Hospital in Melbourne. This will be a challenge to organise as there are no direct flights to Melbourne from Alice Springs (only to Sydney and Darwin, and not every day).

thanks
